Forecast For Northwest England
Issued by Met Office Exeter
at 1600 on Friday 19 Feb 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Wet and windy tonight and Saturday.

This Evening and Tonight:
Rain will persist for most through this evening and overnight, intensifying at times, with just the odd dry spell. Remaining mild with strong winds and coastal gales. Minimum temperature 8 deg C (46 deg F).

Saturday:
Further rain arriving in the morning, heaviest and most persistent over high ground in the north. Staying wet in the afternoon. Mild again but tempered by strong winds and gales. Maximum temperature 12 deg C (54 deg F).

Outlook for Sunday to Tuesday:
Drier and brighter on Sunday with a few showers in the afternoon and evening. Largely dry and bright on Monday. Rain and strong winds return on Tuesday. Staying mild throughout.
